

3/30/25 Meeting Notes March 30th

(We don't quite have a quorum, so will not vote on anything)

Present: board members Justin, Mark, and Kofi, and ex officio members Doug and Colette

GDC Update

- Justin relays a conversation from a late night GDC conversation. There are “hundreds of thousands of dollars” in the EU for arts. For example: [this](#) and [this](#)
- Probably worth the Institutional Relations committee checking this out
- Several people approached Justin about a NarraScope in Germany

Institutional Relations

- Starting a database of contacts
- 7-8 people involved on the Slack channel

NarraScope Update

- Everything is speeding along.
- Sold 66 tickets (38 in-person, and 28 online). First \$\$ transfer from EventBrite will be April 2

Patreon Update

- [Patreon is live](#), but we haven't really announced it yet. No pledges yet.
- Appears to be fully integrated into intfiction forums and Discord. Justin talking with Dan F. about integrating with IFDB

Processing Foundation

- Processing Foundation [mentioned IFTF on LinkedIn](#)
- IFTF will be helping out the PF fellowship program, such as judging entries and mentoring fellows. We are expected to contribute 40 people-hours over the course of a year.
- Right now, we're just waiting on the entries.

Consultants

- Justin will [resurface the thread](#) of organization consultants to work with IFTF
